

ARTERRA WINES CANADA'S VERY OWN ELSA MACDONALD NAMED MASTER OF WINE

Congratulations to Arterra Wines Canada's very own Elsa Macdonald, Director of Wine Education, who was named **Master of Wine** by the *Institute of Masters of Wine*. A Master of Wine is the highest designation a person can achieve in the world of wine.

Elsa has become the 6th Canadian Master of Wine, as well as the 2nd Canadian female to be awarded the prestigious designation. AWC is honoured to now have two of the six Canadian Masters of Wine, including Eugene Mlynczyk, Luxury Portfolio Manager.

As our Director of Wine Education, Elsa manages the Arterra Academy of Wine. A certified Sommelier by the *Canadian Association of Professional Sommelier*, an Associate of the *Institute of Wine and Spirits*, and an avid traveller, she describes wine as her lens into exploring and connecting with the world.
